The room contains 2,000 square feet, and is replete with every suitable convenience.

The heating and lighting apparatus is perfect; having four large stoves, and 280 feet of window-light, and being elevated 16 feet above the roadway, making it the most desirable, healthy situation imaginable.

There is also a Library and Reading Department attached, for the use of students, containing many excellent standard works, with monthly and weekly periodicals, to suit the desire of all parties, and it is intended hereafter, to add a Piano Forte, for the Ladies, as an accompaniment to the City Brass Band, now in full operation every evening.

The School is conducted by the Principal, aided by Assestants, male and female.

The male pupils are taught every branch of learning necessary for their future advantage, making them carable of entering on all such duties as may hereafter offer for their weat.
